**May 13, 2011 Luncheon Meeting
Guest Speaker - Matthew Falconer**

Matthew Falconer

Matthew Falconer was the featured guest speaker at the Club's May luncheon meeting.

Matt has been a resident of Orange County for fifteen years, but has had life-long ties to Florida. He was a candidate for Orange County Mayor in the last election cycle.

He is an eloquent speaker and he began by discussing limiting the growth of government by forcing government to live within a budget. He will be active in the fight for "Smart Cap" in the next election.

At this meeting, Matt led a great discussion on ethics reform for elected officials. We had a conversation, which was very enlightening, about the recent legislative session, as well as, the potential Republican presidential candidates in the 2012 election.

Matt will be involved with the push to increase the number of conservatives registered to vote in Florida before the next election cycle. This project is known as, "REvolution: Register, Educate, Vote". The mission is to register 500,000 conservatives in Florida by 2012.

Matt is on Facebook and posts regularly on the important topics of the day.

Check our website regularly for current information about the Club's news and events!!!
